GENERAL ADVISORY COMMITTEE
TO THE
U. S. ATOMIC ENERGY COMMISSION
WASHINGTON 25, D. C.

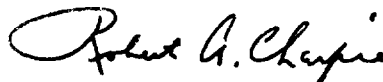

April 4, 1960

Dear Sir:

The General Advisory Committee wishes to thank you for your letter including a nomination for the Fermi Award. The Award is given from time to time by the Atomic Energy Commission for outstanding accomplishment in the field of atomic energy. All nominating letters, together with the supplementary evidence which has been made available, will be considered by the Committee this spring.

In the event that no Award is given this year, or your candidate does not receive the next Award, all information on file with the General Advisory Committee will be retained for reconsideration next year.

Very truly yours,

Robert A. Charpie
Secretary
